Dear Mr. Weisberg,

I hope the Holiday Season finds you and your wife in good health.

A few months ago when we moved, I found 20 more books from the Whitewash series. I'll send them to you after the Holiday Season mail rush.

I'll also send you copies of Arthur Bremer's police file ~~of~~ I recently through Wisconsin's open records law. The files are heavily deleted of course, but perhaps your trained eyes will shed some new light on the subject.

Again best wishes.
